CHOICE OF NIGHT COURSES:

Leading to Diplomas in I.T.E.C. and C.I.B.T.A.C.

Kilkenny College of Beauty & Sports Therapy are registered providers of the following:

DIPLOMAS AND CERTIFICATES

1. **I.T.E.C.** The International Therapy Examination Council, was founded to provide an independent bona fide professional examination system covering aspects of Therapy and Beauty whose examinations are recognised both nationally and internationally. Today the examinable subjects have been expanded to cater for the increased demand and diversification of interest in the field of Beauty and Physical Therapy and now almost every English speaking country in the world is involved with the **I.T.E.C.** system.

2. **C.I.B.T.A.C. (Confederation of International Beauty Therapy and Cosmetology)** is the examination board of the British Association of Beauty Therapy and Cosmetology Limited (**B.A.B.T.A.C.**). Their main aim is to strive for the improvement of and promote, ethical, professional and educational standards, and maintain the highest possible level.

3. **C.I.D.E.S.C.O. (Comite International D'Esthetique De Cosmetologie)** was founded in 1946 to further the professional competence and integrity of the Beauty Therapist as well as developing a closer liaison with the medical profession, cosmetic chemist and other professional bodies with whom the beauty specialist now works. It affords constant contact internationally to maintain world-wide standards of knowledge of techniques.

N.B. End of course examinations are conducted by external professional examiners.

Indian Head Massage

Part time course- Saturday 9.30-4.30

COURSE OVERVIEW

This is as always an extremely popular treatment for Hairdressers, Holistic therapists and Beauty Therapists alike. It is an excellent holistic treatment for reduction of stress and tension. This is a treatment to offer on its own or to complement your current treatments for extra income.

The stress of modern life, poor diet and lifestyle and pollution can all unbalance and block our energy. Indian Head Massage is an invaluable way to rebalance us, encourage healing and prevents diseases from occurring.

CAREER PROSPECTS

This can open the door to other complementary therapies and can be used in multiple areas of employment such as health spas, beauty salons, hair salons, freelance, on site massage etc.

CERTIFICATION

ITEC Award in Indian Head (no prerequisites required)

ITEC Diploma in Indian head also available *

*Prior learning required or add on Anatomy and physiology and professional conduct module (Saturday morning course at additional cost)

Diet and Nutrition

Part Time-One day per week for 8 weeks
Times 9.30-4.30

COURSE OVERVIEW

Participants will learn how diet affects health, how to ensure a balanced diet, how to use diet to maintain and improve health and about common eating disorders. Learn about the anatomy and physiology of the digestive system along with the effects and benefits of nutrients in the body, including imbalances within.

This is an excellent qualification alongside other Complementary or Beauty Therapy qualifications. Successful graduates will be able to give safe and effective advice to clients about healthy eating and using diet to promote and enhance their health. The course is suitable for anyone who wishes to gain an increased understanding of the role of diet in maintaining health.

CAREER PROSPECTS

This qualification equips therapists with a higher level of knowledge in diet and nutrition to complement their other treatments and enable them to give general dietary advice. This can also be an excellent add on course for those in the fitness and health world or as a standalone for personal knowledge to apply to your own lifestyle.

CERTIFICATION

Kilkenny College of Beauty and Sports Therapy Certificate in Diet and Nutrition
ITEC Certificate in Diet and Nutrition for Complementary Therapists (for those who previously hold a therapy qualification, alternately ITEC Holistic massage can be added to this course at a reduced price)

Reflexology

Course takes place on Saturdays - Contact us for more options

COURSE OVERVIEW

This is one of the most popular and powerful complementary therapies. It equips the learner with the skills needed in both the practical and theoretical aspects of reflexology. This course prepares the learner to carry out reflexology on the public. Students learn the history of this ancient therapy and learn the reflex areas for common ailments and how to help treat them. Learners will also complete a module learning Anatomy and Physiology of the body and Business studies to aid them in their career.

CAREER PROSPECTS

Successful graduates with this very popular international diploma can seek employment in care homes, respite centres and beauty salons. Reflexology also opens opportunities for self-employment and mobile therapy. Successful graduates, with their ITEC international diploma will be able to seek employment at home and abroad.

CERTIFICATION
